

14' x 24' x 10' Round Style Instant Garage

Protect Your Investments from Inclement Weather & Sun Damage

MDM Products Instant Garages provide the best in instant, portable protection for any purpose. Typical uses include vehicle protection and storage equipment/material storage. The round style unit quickly sheds moisture, rain, or snow for maximum protection of the interior contents. The pre-drilled frame is easily assembled with minimal handtools. Unlike other products, no drilling or field cutting is required. All frame components are made from galvanized steel.

Main cover and doors are made from long life UV Resistant, Fire Retardant Poly with woven backing. CPAI-84 rated. All fabric components feature heat-welded seam construction. Unit features double zipper doors on **BOTH ENDS** to allow drive-through capability, and good ventilation. Each door contains a pocket for a rigid pole and grommets for securing them up during use. Each unit comes equipped with duckbill earth anchors and drive rod.
